

Namaskaram

It is an auspicious occasion when TISI Sangam Fiji has reached 92 years of its existence.

It has left an indelible impression in the field of Culture, traditions, education and sports. The beneficiaries of Sangam's social socio-cultural efforts have not been confined to the South Indian communities alone but the public of Fiji at large.

Sangam is also, over the years, have contributed a lot towards the development of this nation as well. At this juncture I would like to remember people like the late Mr. M N Naidu (Danveer) who has given everything which he had towards Sangam.

This year during this convention I would like to thank each and every executive of TISI Sangam Lautoka including TIV Sangam and TIM Sangam which is the biggest strength of Lautoka.

This year the success of 92nd convention I am deeply moved by the support of our executives, our womens wing and the youth wings as well.

Our strength was tested couple of months and years but our commitment to uphold the values and principals of Sangam has made us a successful district.

Meanwhile, let me request all the temple heads, Valibar sangam, Mathaar Sangam, Staff, Parents in every corner of Fiji, wherever our Sangam functions to do your best in strengthening the organization, by united effort and spirit of selfless service.

Finally, a word about the need for unity. This is a great organization with activities in the field of religion, culture education, sports and on top of all the training of our children.

I wish you all the best in the 4-day event.

May god bless you all and Sangam.

Mr. Ajay Kumar
