

I am extremely pleased to extend to you all my warm greetings for the 92nd TISI Sangam Annual convention to the Sugar City, Lautoka. I am indeed honored to be the National President of the TISI Sangam since 2011, whilst my very long association with Sangam goes back to 1982.

Over the years Sangam has transformed into a very large and vibrant organization despite facing some difficult challenges. This will be 93 years since the formal inception of TISI Sangam, Fiji and once again I salute our forefathers and the stalwarts of Sangam who worked selflessly and tirelessly to lay the foundation of Sangam that we are all so proud of.

This Annual Sangam convention like all others will once again bring together thousands our members, friends and well-wishers from all sections of our community for another 4 days full of activities and joy. It is thrilling to see the progress we are making as an organization that prides itself on its achievements in promoting, education, training, promotion of religion and culture as well as engaging in community services. We are all looking forward towards the very exciting future for us as a Socio-Educational Cultural & Religious Organization.

Sangam has in the past few years embarked on some major projects which have either been completed or nearing completion. This is indeed the testimony of the excellent leadership at the National as well as the district levels and I wish to commend the Board Chairpersons and the project committees for their efforts.

I am looking forward to seeing many of you at the 2019 convention in Lautoka and also take this opportunity to thank the President and the Executives of the TISI, TIV and TIM Sangam Lautoka as well as the City council for their efforts to prepare for this convention.

NAMASKARAM TO YOU ALL
